

Cold World

Boosie Badazz

On top of the world, it's a celebration
When you on the bottom, it's a denial-ation
Same old ... you see goin' up, you gon' see comin' down
Damn (They probably knew, bruh, they probably knew)
But now that the shit done hit the fan, ain't nobody tryna save nothin' for
any of these niggas, you feel me, bruh?
Damn, but if you a friend, you a friend, G
Yeah, facts
A friend, you a friend
'Til the facts come out
But a friend is a friend
(Ayo, Steery, cut up)

I need a nigga like Rooga (Preach), more than just a shooter
A nigga who gon' call and check on me, how your sugar?
A friend like Donkey (Donk), more than just a homie (Donk)
If I did it or I ain't do it, he ain't turnin' on me (No)
He with me when I'm shinin' (Shinin'), with me in the rain (Rain)
Same nigga on my side when we toastin' champagne
These niggas ain't loyal, they just hollerin', "Gang gang"
'Posed to be no switchin' up if you rock the same chain
Niggas ain't no real friends, let me explain
Most do it for a financial gain or a name
Nigga all at the party really ballin' with a nigga
Soon as they leave the party, they be talkin' 'bout the nigga
Now I don't need no niggas at my party, fuck a brunch
'Cause soon as you get in trouble, watch how all these niggas run
If he did it or he didn't do it, y'all knew the whole time
Y'all was smilin', drinkin' wine, motivatin' him to shine
Now y'all don't wanna be 'round

I don't
Want nobody (Don't want nobody)
Around me
They ain't ridin' (Fuck a nigga, he ain't ridin')
I don't
Want nobody (Don't want nobody)
Around me
They ain't solid

These niggas turn into some Ghostbusters
You leave your homie when he lonely, you a whole sucker
So what we called? Ghostbusters
I need a real friend (Real friend)
If I ain't doin' somethin' you like, you tell me chill then
Don't let me fuck off all my millions
Protect my children, you be that uncle they need
You never let no bitch come between us, they misdemeanors
'Cause a woman, she'll change, I'm just tellin' you, nigga
But real friends stay forever, man, we felony niggas

I don't
Want nobody (Don't want nobody)
Around me
They ain't ridin' (Fuck a nigga, he ain't ridin')
I don't
Want nobody (Don't want nobody)

Around me
They ain't solid

Cold, cold world (I don't)
Cold, cold world (Want nobody)
Cold, cold world (I don't)
This world so cold that I don't want nobody (I don't, around me)
Cold, cold world (Trust nobody, nobody)
Cold, cold world (I don't, I don't)
This world so cold that I can't trust nobody

Give me a real friend
Like one of my posse, you know?
It's only a few, man
Give me a nigga like Stevie J
I don't give a fuck what happen, what he did
If he did or if he didn't do it, he ain't did it
Straight up
I ain't sayin' nothin'
My motherfuckin' boy, he changed my motherfuckin' life
Y'all got me fucked up
Nobody, yeah
This that real shit
Gotta feel it
