

# Don't Wanna Die Broke

Boosie Badazz

Better get yo' shit together  
I don't wanna die broke  
I remember my nigga Lil Ivy told me  
He told me, nigga, just don't die broke  
I told my Mama when I was 15, I don't wanna die broke, Mama  
So we gotta get the money  
Fuck it, we ain't dyin' broke

Stackin' up this money, 'cause this life a hurricane  
You might just leave this cold world tomorrow, my nigga  
A hurricane  
Don't wanna die broke like my father, a hurtin' man  
You don't wanna die old and a work man, and a purp man  
Can't take it with ya, but you can leave it in some hands  
Money ain't everything, but it will ease the pain  
Gotta leave ya kids somethin'  
So get ya skrill right, ya biz tight  
Gotta leave 'em money, get ya will right  
Need a helpin' hand, I know just what it feel like  
Refuse to slow my grind, 'cause my kids need the rich life  
Never know when you gon' go, so you better get ya shit right  
She ain't helpin' you get money, nigga, you betta get ya bitch right  
'Cause you don't wanna die broke

I don't wanna die broke  
I remember my nigga Lil Ivy told me  
He told me, nigga, just don't die broke  
I told my Mama when I was 15, I don't wanna die broke, Mama  
So we gotta get the money  
Fuck it, we ain't dyin' broke

Bury me in Hennessy, paid like the Kennedys  
Let me be a big check, along with my memory  
You gon' remember me  
Know I grind hard 'cause I remember those days  
Goin' to school really wishin' that I had those J's  
Now that's a cold face  
When you broke, people got some cold ways  
I'm just glad that's the old days  
I'm tryna go out like Trump if you ask me  
I want my pockets on Trump if they smash me  
I wanna see my people shine from up there  
So every year gotta be better, money gotta be Hefner  
I get big bags, nigga, man my pockets they special  
If I go broke again, shit, I'm bout whatever  
'Cause I refuse to die broke, fuck that shit

I don't wanna die broke  
I remember my nigga Lil Ivy told me  
He told me, nigga, just don't die broke  
I told my Mama when I was 15, I don't wanna die broke, Mama  
So we gotta get the money  
Fuck it, we ain't dyin' broke
