

# This World Fucked Up

Boosie Badazz

What a world, huh?

Haha

Crazy

Crazy, crazy

This world is so fucked up

Fucked up

Oh my God

My world

This world

Huh

Donald Trump is my president

Al Qaeda is my resident

We on the corner where we all need a plug (Straight up)

But they tryna take the Mexican (Can't let 'em take the Mexican)

Every day they smokin' weed on the bus stop (Ayy)

Every day another dead in the drop top

So what should I tell the kid in the struggle? (Struggle)

Protect your little brother, get a cutter

If she love ya, then she love ya

If she playin', then ya leave (Then ya leave)

Too many of my mans in the squeeze (Locked)

Judge gave 'em life like a klan man

Too many mamas cryin' on they knees

Like, "Please", lower a nigga taxes (Tax)

They don't wanna pay the teachers

They don't wanna teach the classes

Why we all po'? Shit, that's what Boosie askin'

Don't throw away the money

Think about it 'fore you trash it ('Fore you trash it)

Many men

They wish death upon myself

They told on me, I did them nothing

I never figured how that go

They were so phony, watch your homie

Trust nobody, watch your ho

Even family turn on family

It's a cold world and that's how it go

All the girls want the wrong dude (Wrong dude)

Everybody wanna rap, well he the wrong dude

Yeah, kids, mane, they shootin' up the whole school

Fuck that shit, nigga, we gon' home school (Fuck that shit)

All the women want respect from a G

But they always naked on the I-G

All the women screamin' "Rape? This is fake" (This is fake)

Niggas don't take pussy gettin' cake (Cake)

Just 'cause one got it don't mean we all straight

Just 'cause one racist that don't mean we all hate

Rapper have it hard if he catch a coke case

Send him to the yard if he breakin' probate (What is it?)

It's a world full of lies and deception (Yeah)

Rap game a change, they don't wanna hear the message (Yeah)

These kids cartoons, man, it's playin' with their sexes

For real niggas, forty niggas in a section

Many men  
They wish death upon myself  
They told on me, I did them nothing  
I never figured how that go  
They were so phony, watch your homie  
Trust nobody, watch your ho  
Even family turn on family  
It's a cold world and that's how it go
