

Jam On

Bootsy Collins

Bootzilla, baba

You wanna play with me?
Hold on, you wanna play with it? I wanna lay with it
All day with it, is you with it?
And when I do it, you know I did it
'Cause my groove is exquisite, it's such a privilege
You wanna play with it? I wanna lay with it
All day with it, is you with it?
'Cause if you ain't, you gotta quit playin' with a playa

Ohh, oh-oh, woah-woah, oh-oh (Yeah, thought you was playin')
I'm gettin' ready to jam
Ohh, oh-oh, woah-woah, oh-oh
I'm gettin' ready to jam

I'm jammin' 'cause you can't
I'm there before you think
I've gotta keep my groove strong
So jam on
I'm jammin' 'cause you won't
I'm doin' those things you don't
I've gotta keep my funk strong
We jam on

I'm livin' a lavish lifestyle
(In a luxury suite) In a luxury suite, baby
Ah, can you dig it?
(What makes it even better)
Oh, I'm just a fella on the street bop
(And we all gon' jam for that)
Jam on it

Ohh, oh-oh, woah-woah, oh-oh
Jam (I'm gettin' ready to jam), jam
Ohh, oh-oh, woah-woah, oh-oh
I'm gettin' ready to jam, yeah, yeah, yeah

I'm jammin' 'cause you can't
I'm there before you think

I've gotta keep my groove strong
So jam on
I'm jammin' 'cause you won't
I'm doin' those things you don't
I gotta keep my funk strong
Taz gettin' ready to blast, blast it!

Jam on

Pass the pill, ink the deal
Snoop Dogg in the paint like big Shaquille
Toss me a lob, I'm on the job, I'm hard at work
Threes, yeah, my crossover sure will freeze ya
Tease ya, just a minute
You know I been down ever since I came up in it
They call me the pick of the litter, the big game spitter

Uncle Boots said, "Get 'em, Snoop Dogg," so I bit 'em

Ohh, oh-oh, woah-woah, oh-oh
Jam (I'm gettin' ready to jam), jam
Ohh, oh-oh, woah-woah, oh-oh

I'll huff and I puff and I blow your stuff in, baby
I'll huff and I puff and I blow your stuff in, baby

I'm jammin' 'cause you can't
I'm there before you think
I've gotta keep my groove strong
So jam on
I'm jammin' 'cause you won't
I'm doin' those things you don't
I gotta keep my funk strong
We jam on

Ohh, oh-oh, woah-woah, oh-oh
I'm gettin' ready to jam
Ohh, oh-oh, woah-woah, oh-oh

If I have any more fun today
I don't think I'm gonna be able to take it
