

Yo-Moma-Loves-Ya

Bootsy Collins

I'll go anywhere that you want me to
I'll buy anything that you want me to
I'll do anything that you want me to
Girl, you got to want me to
Oh you got to want me to my girl
No other woman that would take your place
There is no way you're gonna keep me away
All I need girl is you, all my dreams will come true
If you want them too
Acid rain is in my eye, I think i'm gonna cry
Cry...
Yep, it's comin' down like rain, drivin' me insane
I miss you, yeah
There's so much pleasure in your smile
For some of your lovin' i could walk a mile
Girl I got to be real, this is the way i feel
You got to want me too
The rain is in my eye, girl i'm about to cry
Cos' i miss you
Yeah it's comin' down like rain, drivin' me insane
Girl i miss you
Acid rain is in my eye, i think i'm gonna cry
Cry...
Yeah
Yep, it's comin' down like rain, drivin' me insane
I miss you
Acid rain is in my eye, i think i'm gonna cry
Yep, it's comin' down like rain, drivin' me insane
I miss you, i miss you yeah

Who loves ya baby, your moma do
She's the only one that brought me thru
And even when hill storms blew mud in my face
My moma's there to help me and make me feel safe
Who loves ya baby, who loves ya baby
Hey Ron play for mom
There will never be a mother like you
With all of your lovin' you just brought me thru
And with you on my side, they say love is blind
But i'm in heaven
Acid rain is in my eye, i think i'm gonna cry
Yep, it's comin' down like rain, drivin' me insane
I miss you, i miss you yeah
Acid rain is in my eye, i think i'm gonna cry
Yep, it's comin' down like rain, drivin' me insane
I miss you, girl i miss you.
Hey, hey, hey, hey
Can't you see the little tears in my eyes
Wooh, i miss you, i miss you
