

# Something To Talk About

Booty Luv

Something to talk about Something to talk about  
Something to talk about Something to talk about  
Something to talk about Something to talk about ...

Something to talk about.....(Echo) bout bout bout

## FIRST VERSE

I heard you sayin'  
that there's a problem  
with the way I am...

But keep on talkin'  
cuz you got nothin'  
from where I stand... (echo) where I stand

## BRIDGE

Walk away get off my back  
well I got what you wish.....yeah!

Tryin' to shape the play  
no don't do that  
no you don't want to do that.....Cuz

## CHORUS (2X)

can't nobody hold us' down  
got to get up and shout it loud  
I know you tired of fallin' down  
so if they really want it...  
Let's give em' somethin' to talk about.

(echo) Something to talk about.....

## SECOND VERSE

I shot the serie  
they just tearin' me  
I think I know the deal

it's insecurity  
that leads to envy  
while you're concerned with leal ... (echo) with leal

## BRIDGE

Walk away get off my back  
well I got what you wish.....yeah!

Tryin' to shape the play  
no don't do that  
no you don't want to do that....Cuz

## CHORUS (2X)

can't nobody hold us' down

got to get up and shout it loud  
I know you tired of fallin' down  
so if they really want it...  
Let's give em' somethin' to talk about.

(Echo)

Something to talk about Something to talk about...  
Something to talk about Something to talk about ...  
(Continue Echo)

INTERLUDE

Walk away get off my back!  
hmmm!  
Tryin' to shape the play  
no don't do that  
no you don't want to do that.....Cuz

CHORUS (2X)

can't nobody hold us' down (answer) hold us down yeah!  
got to get up and shout it loud  
I know you tired of fallin' down (answer) I know you tired of fallin' down  
so if they really want it...  
Let's give em' somethin' to talk about....bout'...  
  
Something to talk about.....!
