

# Hooligan

## Booze & Glory

Her parents say he's an hooligan  
Her brother says he's a thug  
They say she's wasting her time with him  
He's gonna end up getting locked up

[Pre-chorus:]

Well, they may be right, it may be true  
But if you stand with him he'll stand by you

[Chorus:]

(Cos) He's your hooligan, your thug  
He's your hooligan, your love  
Coz in a fight, if you're wrong or right  
He will always be there at your side  
[x2]

She sees through the hard man show  
She sticks with him cos she knows  
Unless he's in a prison cell  
He'll be coming home to see his girl

[Pre-chorus & Chorus]

So if he's caught and done for GBH  
He knows that you will wait  
You'll be there every visitor day  
Standing outside Wormwoods gates

[Pre-chorus & Chorus x2]
