

## Joe Hawkins

### Booze & Glory

See him walking down the street  
Doctor martens on his feet  
Levi jeans, Ben Sherman shirt  
Fuck with him and you'll get hurt

He's a skinhead and he don't care  
Marten boots and short cropped hair  
He's a skinhead and he don't care about you

Walking down on the Brighton pier  
Long haired hippies filled with fear  
Crunch of bone as boots go in  
Joe's so proud to be a skin

Prison couldn't change his ways  
Skinhead's back he's here to stay  
So if you think you've got the suss  
Be a skinhead be like us

He's the king, king of the skins  
What's his name? Joe Hawkins
