

Ugly Faces

Booze & Glory

Look at them they've got expensive cars
Ugly faces with dodgy smiles
Every year different club
More money and bigger house
That stupid "stach"
Get away but not for love

Why pay the match for the football on saturday
So fuckers like john terry get a wage

Steven gerrard and ryan giggs
Franky lamps and the other pricks
Didier drogba, ashley cole
Ugly rooney and ginger scholes
And get better me
Don't know what to blame

Why pay the match for the football on saturday
So fuckers like john terry get a wage

Peter crouch and robbie keane
Will go, where better money is
And useless
You can fuck of to "duffies"
And buddies gonna crying
After a part

Why pay the match for the football on saturday
So fuckers like john terry get a wage
