

# Going Under

Borgeous

In and out like the ocean tide  
A rollercoaster in my mind  
In my [?]  
Just trying to make things right

Is it something I did?  
Can we mend what's broken?  
Is it something I said?  
And I hate not knowing

We're going under, can't you see?  
It's not the same the same old you and me  
We're going under  
We're going under

We're going under, can't you see?  
It's not the same the same old you and me  
We're going under  
We're going under

Is it something I did?  
Can we mend what's broken?  
Is it something I said?  
And I hate not knowing

Is it something I did?  
Can we mend what's broken?  
Is it something I said?  
And I hate not knowing

We're going under, can't you see?  
It's not the same the same old you and me  
We're going under  
We're going under  
(We're going...)

We're going under, can't you see?  
It's not the same the same old you and me  
We're going under  
We're going under  
(We're going)

We're going under, can't you see?  
It's not the same the same old you and me  
We're going under  
We're going under

We're going...  
The same old you and me...  
We're, we're going...  
We're going...

We're going...  
We're, we're going...  
We're going  
We're going
