

Rescue Me

Borgeous

My heart breaks
When you're next to me
Feel your energy

Oh I can't breath
When you look at me
It getting hard to believe

Oh oh
I wanna drown in a sea of your love
Oh oh
I wanna feel like I can't give up

So hey
Will you rescue me from the pain
Will you hold my hand while prey
Take me all all all all the way
Will you rescue me
Will you rescue me
Will you hold my hand while prey
Will you rescue me

The phone rings
Nearly half past two
Dunno what to do

Cuz these things
Tear me up inside
But I kinda like it

Oh oh
I wanna drown in a sea of your love
Oh oh
I wanna feel like I can't give up

So hey
Will you rescue me from the pain
Will you hold my hand while prey
Take me all all all all the way
Will you rescue me
Will you rescue me
Will you rescue me
Will you rescue me
Will you rescue me
