

## Ruin LA

Borgeous

I'm in Hollywood alone  
Walkin' through streetlights, headlights, got nowhere to go  
And if I were a little more drunk prolly call you on the phone  
You said we'd keep in touch but we don't  
Said we'd keep in touch but we don't  
So I keep on goin'  
End up in the Valley, don't know anybody but this parties dope  
Someone tap me on the shoulder, pass me something, ask me if I wanna smoke  
So I just take a hit then I choke  
I just take a hit then I choke

But I pledge my allegiance to LA  
And all its wicked twisted ways  
Where'd you go, where you at, you took everything  
All the thrills and the pills don't do anything  
Even though I plead and pray  
It won't ever be the same  
In all these United States  
Why'd the hell'd you have to go and ruin LA  
Ruin LA, ruin ruin LA  
Why'd ya go and ruin LA  
Ruin LA, ruin ruin LA  
Why the hell you have to go and ruin LA  
Even though I plead and pray  
It won't ever be the same  
In all these United States  
Why the hell you have to go and ruin LA  
(Ruin LA, ruin LA, ruin LA...)

I went to Beverly Hills  
Caught a ride with a guy, didn't know his name but I knew the deal  
Whispered in my ear, told me I could be his little angel  
But I was going through hell  
I was going through hell

But I pledge my allegiance to LA  
And all its wicked twisted ways  
Where'd you go, where you at, you took everything  
All the thrills and the pills don't do anything  
Even though I plead and pray  
It won't ever be the same  
In all these United States  
Why'd the hell'd you have to go and ruin LA  
Ruin LA, ruin ruin LA  
Why'd ya go and ruin LA  
Ruin LA, ruin ruin LA  
Why the hell you have to go and ruin LA  
Even though I plead and pray  
It won't ever be the same  
In all these United States  
Why the hell you have to go and ruin LA

And nobody knows it but me  
I can't even go to the beach  
Rollin' around on these streets  
When everyone else is asleep  
And I don't even know what I came for

I don't even know what I'm still wearing your chain for  
On some new shit that I ain't boy

But I pledge my allegiance to LA  
And all its wicked twisted ways  
Where'd you go, where you at, you took everything  
All the thrills and the pills don't do anything  
Even though I plead and pray  
It won't ever be the same  
In all these United States  
Why'd the hell'd you have to go and ruin LA  
Ruin LA, ruin ruin LA  
Why'd ya go and ruin LA  
Ruin LA, ruin ruin LA  
Why the hell you have to go and ruin LA  
Even though I plead and pray  
It won't ever be the same  
In all these United States  
Why the hell you have to go and ruin LA
