Borgeous

Another day passing by  
No I won't get back to my life  
Every time you love things always change  
So I don't want to blame it on you

'Cause every time you look at things that bother  
And every time you lose that trust in others  
Every time you know where your thoughts go hiding high  
Just don't break it  
Put a little love tonight  
I will fly higher than a satellite  
'Cause every time you look at things that bother  
And every time you lose that trust in others

Every time you...
