

Set Me Free

Borgeous

When the sun goes down tonight
There'll be one thing on my mind
Want to discover a part of me
Set me free, ah

Baby, I'm on a mission
Gotta find my space
I've got the world to see
Led by only intuition
Notice how to trace
I'm only counting on me

Set me free, yeah
Set me free, yeah
Set me free, yeah
Set me free, yeah

Oh, when the sun goes down
And when I come around
Oh, when the sun goes down
And when I come around

When the sun goes down tonight
There'll be one thing on my mind
Want to discover a part of me
Set me free, ah

Baby, I'm on a mission
Gotta find my space
I've got the world to see
Led by only intuition
Notice how to trace
I'm only counting on me

Set me free, yeah
Set me free, yeah
Set me free, yeah
Set me free, yeah

Oh, when the sun goes down
And when I come around
Oh, when the sun goes down
And when I come around
