

## Are u up?

Borgore

I know it's late  
You've been out  
With your friends  
Getting drunk  
Got a text from your ex  
Where to next (where to next)  
Are you not in the mood?  
Like you should  
Fuck that dude  
I am here fire dick  
Worth the trip yeah (worth the trip)

I've got five milfs in my area who's tryna hook up  
Are you're my girl next door and Are you up?  
I've got five milfs in my area who's tryna hook up  
Are you're my girl next door and Are you up?

Sending nudes, you sent my friends  
Baby I'm not impressed  
You should come and change my mind  
Call an Uber or just stay the night  
Your calendar is full  
Hella dicks at school  
Cause I hook up with your best friend  
Threesome sounds like a great plan

I've got five milfs in my area who's tryna hook up  
Are you're my girl next door and Are you up?  
I've got five milfs in my area who's tryna hook up  
Are you're my girl next door and Are you up?
