

## #NEWGOREORDER

**Borgore**

Imagine a world as glorious as a Victoria's Secret fashion show  
A world where fast food is real meat and DJs are real producers  
A world where people look like their profile pictures  
Imagine having no questions because you already have all the answers  
Imagine a world with no fuzzy boots or money hungry politicians  
Imagine a better place. A #NEWGOREORDER

Imagine a world as perfect as Kate Upton's breasts  
Where there is no war because everyone is high on life  
A world where education is not paid for by slavery  
Where you can get service at a festival  
Imagine a world where people seek knowledge, not water  
A better place. A #NEWGOREORDER
