

I don't wanna work 9-5  
I don't wanna know what car to drive  
Fill the pool with dump and take a dive  
Photoshop myself in today's life

Social fuck  
Let me stay at home  
I feel kinda messed up  
Let me put some make up  
I feel kinda messed up  
Let me put some make up  
My dick is not big enough  
My car is not sick enough  
My girl is not thick enough  
I don't get to think enough  
I don't wanna work 9-5  
I don't wanna know what car to drive  
Fill the pool with dump and take a dive  
Photoshop myself in today's life
