

Set Free

Borgore

Sometimes I feel like I'm dropped I my work and the stress will
kill me
Sometimes I don't know what's up and down but I nowhere I wane
be
And that won't bring me down
I won't let it beat me
I know the day will come and I will be set free
I will be set free

Sometimes I feel like I'm different from them and I question wh
at's wrong with me
Sometimes I feel like they change who I am this is who I wane b
e
But that won't bring me down
I won't let it beat me I know the day will come and I will be s
et free
I will be set free
I will be set free
