

Beyond the Lightning

Born Ruffians

Be my guide, the light is blinding
Take my sight, what are you finding
On your side, I'm always fighting
Open wide, beyond the lightning

Etiquette, protocol, and propriety
These are things you must uphold in totality
Oh but you're all alone, in the woods, digging in a hole
Oh but you won't do it all alone
No you, no you won't, no, you won't

Be my guide, the light is blinding
Take my sight, what are you finding
On your side, I'm always fighting
Open wide, beyond the lightning

Like an animal in the woods, you have found a way
But an animal in the woods has rules it must obey
Oh but you're all alone, in the woods, digging in a hole
Oh but you won't do it all alone
No you, no you won't

Be my guide, the light is blinding
Take my sight, what are you finding
On your side, I'm always fighting
Open wide, beyond the lightning

Beyond the lightning
Beyond the lightning
Beyond the lightning
