Shark fins circle below  
Wings sprout from the elbows  
The moment is here  
The answer is clear  
Now you know  
Now you know

Open into the sun  
Endless, blue horizon  
Surrender your fear  
The answer is clear  
Now you know  
Now you know

The knowing is easy

Brush strokes circle the wind  
Slick, bound and determined  
The moment is here  
Surrender your fear  
Now you know
