Born Ruffians

Call it off, keep it in
Grind it down to medicine
Especially anything
Keep it in your first aid kit

Call it off, keep it in
Grind it down to medicine
Especially anything
Keep it in your first aid kit

'Cause lately I'm a good news guy
Yeah, lately I'm a good news guy

Call her up, she stays in
Grinding down her medicine
Her specialty's anything
But lately she's a first aid kit

Call her up, she stays in
Grinding down her medicine
Her specialty's anything
But lately she's a first aid kit

Her speciality's anything
But lately she's a first aid kit

Hu-uh-uh-uh-uuh

'Cause lately I'm a good news guy
'Cause lately I'm a good news guy
'Cause lately I'm a good news guy

Call it off, keep it in
Grind it down to medicine
