

Hey You

Born Ruffians

Hey you, hey, hey you, hey
Hey you, hey, hey you, hey
Hey you, hey, hey you, hey
Hey you, hey, hey you, hey

You gotta let it go nowhere
You gotta give it time
And if nobody will offer
You gotta change their mind

You wanna let it go nowhere
You gotta give it time
And if nobody will offer
Reach out and change their mind

Hey you, hey, hey you, hey
Hey you, hey, hey you, hey

Say that you wanna stay with me darling
Because I really need it now
Say what you wanna say to me darling
Go on and on I need it now

Hey you, hey, hey hey you
Hey you, hey, hey hey, you
Hey you, hey, hey hey, you
Hey you, hey, hey hey, you

You wanna let it go somewhere
You gotta give them hell
And if nobody will offer
Reach out and touch yourself

Say that you wanna stay with me darling
Because I really need it now
Say what you wanna say to me darling
Go on and on I need it now

Hey you, hey, hey hey you
Hey you, hey, hey hey you
Hey you, hey, hey hey you
Hey you, hey, hey hey you
Hey you, hey, hey you, hey
Hey you, hey, hey you, hey
