

Hi

Born Ruffians

Falling for you again
I wish I knew then
When my heart slipped up into my throat
I want you to know

Hi, hi
Hi, hi
Hi, hi
It's been a while

Falling for you again
Didn't take much to break or bend
You melt my heart like American cheese
Why is this so easy
When you say

"Hi, hi
Hi, hi
Hi, hi
It's been a while"

You're the river, and I am the lake
It's only heartbreak
Falling for you again
I wish I knew then
That you'd say

"Hi, hi
Hi, hi
Hi, hi
It's been a while"

Hi, hi
Hi, hi
Hi, hi
Hi, hi
