

# I'm Fine

Born Ruffians

Flips the bird like a lady  
She's the one the boys go crazy for

These words I wrote for her

I'm a little bit tongue tied  
Shaken up a bit, I'm fine  
I talk just a little bit softer  
Poor in love as a pauper

She looks at me like sunlight flickers through a chain link fence

Oh but I'm fine, I'm fine  
I'm fine, I'm fine  
Run to doom  
Run to me  
God damned unsociable  
Highly emotional

I had a dream and you weren't there  
Billions of people and they just don't care  
But I'll find you  
You'll find me  
I am embarking on this journey

Oh, I had a dream and you weren't there  
Please wake me up from this nightmare  
But run to doom  
Run to me  
God damned unsociable  
Highly emotional  
But I'm fine, I'm fine  
I'm fine, I'm fine  
I'm fine, I'm fine  
I'm fine, I'm fine
