

Pool Party Fun

Born Ruffians

So many people out there
So how did I get stuck here, with you?
Where's my sword to slay?
Where are my rules to obey?
Show me...
Her hair was styled with fear, her teeth were like veneer
And she really has no reason, no reason at all, to be lonely
I don't wanna play anymore, thank you
Not here, not now, maybe never again
It's hard when it hurts and you have to say it doesn't
You don't have to say it doesn't
And it sucks when you find someone but they don't find you
Yeah, it sucks when you find someone but they don't find you
Why won't this feeling go away?
