

## Retard Canard

Born Ruffians

I JUST WANT TO SET THE WORLD ON FIRE

Baby, remember what they told you never...  
It's scary to realize you're not a member of the human  
race,  
but you're still running anyway.  
Retard canard trying to fly far from home.  
It's scary to realize you're always alone,  
but you're still flying anyway.

I don't wanna start a flame in your heart,  
I just wanna set the world on fire.

I JUST WANT TO SET THE WORLD ON FIRE

Baby, remember what they told you never?  
Like: honesty's annoying most of the time. It's better  
entertainment if you keep on lying.

Well she said "I don't care if we are apart.  
Distance helps me to admire.  
Oh I don't wanna start a flame in your heart.  
Oh I just wanna set the world on fire."

I JUST WANT TO SET THE WORLD ON FIRE

In the middle of the night  
I don't care if it's right  
As long as you turn out that light  
...Turn out that light

I don't wanna start a flame in your heart  
I just wanna set the world on fire  
Man don't wanna see the lion make art  
Stretch it's body out across the pyre  
I don't wanna start a flame in your heart  
I just wanna set the world on fire
