

# We Made It

**Born Ruffians**

Got a deal  
Sign it real quick  
I didn't read it, no  
Didn't think twice  
Bad advice  
I didn't need it, no  
I said, "Hand me a pick  
I'll write a little lick, uh-huh  
About my feelings, yeah"

Say, one day, I'm gonna make it  
One day, I'm gonna make it  
One day, I'm gonna make it  
Fake it until I make it

We've got the rest of our lives  
This is the first day of it, let's high five  
We'll give all we can

We've got the rest of our lives  
This is the first day of it, let's high five  
We'll give all we can

How's it feel  
To be a big deal?  
I saw you made it, yeah  
Now, keep it light  
That's alright  
Don't see no lettuce coming out of your pockets, no

One day, you're gonna make it  
One day, you're gonna make it  
One day, you're gonna make it  
Fake it until you make it

We've got the rest of our lives  
This is the first day of it, let's high five  
We'll give all we can

We've got the rest of our lives  
This is the first day of it, let's high five  
We'll give all we can

How's it feel?  
How you dealing  
With all of the loss, huh?  
Well, that's life  
It kinda rolls by  
And happens to you  
'Til it's not

One day, we're gonna make it  
One day, we're gonna make it  
One day, we're gonna make it  
Fake it until we make it

We've got the rest of our lives

This is the first day of it, let's high five  
We'll give all we can

We've got the rest of our lives  
This is the first day of it, let's high five  
We'll give all we can
