

This Will Be Our Year

Born Without Bones

The warmth of your love's like the warmth of the sun
And this will be our year, took a long time to come
Don't let go of my hand, now darkness has gone
This will be our year, took a long time to come

And I won't forget
The way you held me up when I was down
And I won't forget the way you said
"Darling I love you, you gave me faith to go on"

Now we're there and we've only just begun
This will be our year, took a long time to come

The warmth of your smile, smile for me, little one
And this will be our year, took a long time to come
You don't have to worry, all your worried days are gone
And this will be our year, took a long time to come

And I won't forget
The way you held me up when I was down
And I won't forget the way you said
"Darling I love you, you gave me faith to go on"

Now we're there and we've only just begun
This will be our year, took a long time to come

And this will be our year, took a long time to come
My, my, my
