

# The stalin

**BORN**

You're already dead.  
Entrust the body to me.  
I'll take you to the beautiful future.  
Everybody sing along.

-I am a STALIN-

I will scream as the intention of thunder.  
I'll not release the instinct of you.  
Not be afraid, to Come near me.  
The time has come.

Evil justice and two side of the same coin.  
You can choose.  
The attempt to open the door of your heart.

This is brainwash.  
It is filled with affection.

ADMIT? or ADMIT?  
uji no waita nou nou nou e kyouikuteki shidou sa It's because of you  
Doo wop...Doo wop...Doo wop...  
nigemadotta amai amai hibi No way No way  
Do not become dead to live. Leave it to me.

You do not run away to the anonymous bulletin board.  
Herd of stupid underdog is comforting each other,,,But unproductive.  
Garbage human

You're a fool who does not know anything.  
Reach for the sky.  
You swear allegiance to me.  
Everybody sing along.  
-I am a STALIN-

Face the corrupt world squarely.  
Magic does not exist.  
The attempt to open the door of your heart.

This is brainwash.  
It is filled with affection.  
Don't say no, just say now.  
Come on, follow.

ADMIT? or ADMIT?  
uji no waita nou nou nou e kyouikuteki shidou sa it's because of you  
ADMIT? or RUN AWAY?  
dare ni negau? GOD GOD GOD? sukue ya shinai sa I think that it can escape.  
Doo woo...Doo wop...Doo wop...  
fuhai shita amai amai hibi No way No way  
Do not become dead to live. Leave it to me.

This is brainwash.  
It is filled with affection.  
Don't say no, just say now.  
Come on, follow.
