

Blue Corvette

Børns

Ooh
Mm, ooh
Ah
Play me some sweet sad sounds
Sweet sounds
Blue, blue
Yeah, yeah, yeah, yeah

I wish I had a string quartet
To follow me wherever I went
Play me some sweet sad sounds
Sweet sounds
And if I had a blue Corvette
I would drive it down Sunset
While the sun set to sweet sad sounds
Sweet sounds

Well, maybe I just like crying
And maybe there's no denying
The timing is lining up so perfectly
And maybe I got heavy eyelids
Sadly, I can't keep from smiling
'Cause I got a secret that I just can't keep

Sad songs make me happy
La-la, la-la-la, la-la (La-la, la-la-la)
La-la, la-la-la
I just sing those
Sad songs make me happy
La-la, la-la-la, la (La-la, la-la-la)
La-la, la-la-la
I just sing those

(Blue) Sad, sad songs
Blue, yeah, yeah, yeah, yeah

I feel the music in the air
My guardian angel, say a prayer
Melodies playing everywhere
Play me some sweet sad sounds
I don't know what I'd do without
Those harpsichords are making my
Life into a sweet sad song

Sad songs make me happy
La-la, la-la-la, la-la (La-la, la-la-la)
La-la, la-la-la
I just sing those
Sad songs make me happy
La-la, la-la-la, la (La-la, la-la-la)
La-la, la-la-la
I just sing those

(Blue) Sad songs
(Blue) Sad songs
(Blue) Sad songs
(Ah)

I feel the music in the air
My guardian angel, say a prayer
Melodies playing everywhere
Play me some sweet sad sounds (Yeah, yeah)
I don't know what I'd do without (I don't know what I'd do without)
Those harpsichords are making my (Sweet)
Life into a sweet sad song
I feel the music in the air (I feel the music in the air)
My guardian angel, say a prayer
Melodies playing everywhere
Play me some sweet sad sounds
I don't know what I'd do without (I don't know what I'd do without)
Those harpsichords are making my
Life into a sweet sad song (Sweet)
Oh (Sad song)
