

Just In Case I Love You

Børns

Anytime you want me
Anytime or anywhere
Anytime you want to rock with me
You know that I'm on my way there
Anytime you want
Anytime, anytime, anytime
Anytime you want
Anytime, anytime, anytime

Hey, hey, hey, hey
Been thinking about this all day
Cleaned up and I'm coming your way
On the freeway driving faster and faster, let's play
Roll it on up and blow it away
Curves you make drive me insane
Keeping my blood pumping faster and faster

I don't wanna see you spend another night alone
I just want to feel the heat behind your every moan
Anytime you want me
Anytime or anywhere

I'ma do my best to please you
Just in case I love you
Make you smile, undress and feed you
Just in case I love you
Ahhh
Just in case I love you
Just in case I love you

Na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na

Hey, hey, hey, hey
Been thinking about this all day
Cleaned up and I'm coming your way
On the freeway driving faster and faster, let's play
Roll it on up and blow it away
Curves you make drive me insane
Keeping my blood pumping faster and faster

I don't wanna see you spend another night alone
I just want to feel the heat behind your every moan
Anytime you want me
Anytime or anywhere

I'ma do my best to please you
Just in case I love you
Make you smile, undress and feed you
Just in case I love you, oh I do!
Ahh
Just in case I love you
Just in case I love you
