

Supernatural

Børns

I'm falling at the sight of you
You tripped me, it's alright
Is it just me or is it you?
Is it love or am I fooling around
Trying to find the truth?
I'm trying to find the truth

Is it us, or is it supernatural?
Sometimes we fall so fast it's hard to tell
(Stella Ella Ola! Clap Clap Clap!)
Is it love, or is it simply something else?
Sometimes I think I'm caught under a spell
(Stella Ella Ola! Clap Clap Clap!)

I'm floating like a satellite
Like the sound of the ocean
Just rolling around in the blue
It is just me without a clue
I'm trying to find the truth
I'm trying to find the truth

Is it us, or is it supernatural?
Sometimes we fall so fast it's hard to tell
(Stella Ella Ola! Clap Clap Clap!)
Is it love, or is it simply something else?
Sometimes I think I'm caught under a spell
(Stella Ella Ola! Clap Clap Clap!)

Is it us, or is it supernatural?
Sometimes we fall so fast it's hard to tell
(Stella Ella Ola! Clap Clap Clap!)
Is it love, or is it simply something else?
Sometimes I think I'm caught under a spell
(Stella Ella Ola! Clap Clap Clap!)
