

# Sweet Dreams

Børns

(Hearts in a cage)

Hearts in a cage  
Hearts in a cage  
You, you flipped the page  
And slipped away  
Never thought that you were  
Someone to say things that you didn't mean

You didn't even call to wish me sweet dreams  
Really thought we made a sweet team  
But don't cry  
Consider this a lullaby  
Bye and sweet dreams

Ticking clocks on the wall  
Waiting for your call  
But that cuckoo bird  
Won't sing at all  
Never thought that you would  
Take everything we had and loved and leave

You didn't even call to wish me sweet dreams  
Really thought we made a sweet team  
But don't cry  
Can't you see that you're a love of mine?

Sweet dreams  
Always thought you were the sweetest thing  
But don't cry  
Consider this a lullaby  
Bye and sweet dreams  
Sweet dreams  
Sweet dreams  
Oh, sweet dreams
