

We Don't Care

Børns

I've got a case of the haunting
I got a taste of the mad man in my mind
Well I used to sleep at night
Moving like everyone's watching
Shake off the shadows, freak out the phantoms, love
You're more than just a dove

She's my light
She's my daredevil halo tonight
The world's on fire

But we don't care
We don't care
Touch me
Everyone's watching but we don't
We don't care

We're face to face without faces
Lined up from coastline to coast like static sky
Well maybe it's just goodbye
Who's playing the harlequin bassline
Dancing the dance like we're seasick dominoes
Well there's only one way to go

She's my light
She's my daredevil halo tonight
The world's on fire

But we don't care
We don't care
Touch me
Oh, everyone's watching but we don't
We don't

We don't care
We don't care
We could go for days
We don't care
Go our separate ways

But we don't care
We don't care
Touch me
Everyone's watching
We don't care
We don't care
We don't care
We don't care
