

Cheating

Boss Hogg Outlawz

I told ya man, these chicks is dirty

I don't chase em, I replace em
I don't save em, I slave em
I don't trust em, I cut em
Then send them on they way
And they come at my way playin, sayin that they love thug
Like i'm the first rapper they took home from a club
Must be her on some drugs, thinkin i'ma put ya up
When half of this club already cut ya up
Tryin to get some bucks, might as well stop cryin girl
You got caught cheatin on me, stop lyin girl

I knew it all the time, It's always on my mind
And you were clever, creepin while i'm on the grind
I thought you was my boo, girl I trusted you
Thought you made a fool of me, now who's lookin like a fool
You comin in my home, smellin like cologne
[?] What the hell is goin on
Oh baby but it was good, and you're feelin fine
You got your diamond plate, now you gotta ride the pine
I'm cold as your shoulder, the gamin is over
Squash everything that I told ya
Don't forget the diamonds and riches, all of your wishes
The burn is none of my concern, anymore

Can't believe ya creepin, sneak in another man's bed
You're sleepin
I can't believe ya cheated on me
And now i'm askin ya, cryin ya, I kept denyin and lyin
Knowin that ya cheated on me
Can't believe ya creepin, sneak in another man's bed
You're sleepin
I can't believe ya cheated on me
And now i'm askin ya, cryin ya, I kept denyin and lyin
Knowin that ya cheated on me

I hope you didn't think I wouldn't see what's going on
Like how you whispered everytime that nigga called ya phone
And how you never like to fuck no more when we at home
That day I asked you why you ain't got ya ring on
You said you left at your girls house
But when I asked you, you couldn't say which girls house (girls house)
And girl you're lyin right in my face
You need to leave now, I ain't tryin to touch ya face
Lookin for a fool I would lager, but I already had ya, but you peep the game
s in my swager
But I gave ya chance after chance, but you didn't take it
Girl now I gotta let you make it, make it

Can't believe ya creepin, sneak in another man's bed
You're sleepin
I can't believe ya cheated on me
And now i'm askin ya, cryin ya, I kept denyin and lyin
Knowin that ya cheated on me
Can't believe ya creepin, sneak in another man's bed
You're sleepin

I can't believe ya cheated on me
And now i'm askin ya, cryin ya, I kept denyin and lyin
Knowin that ya cheated on me

I'ma go on keep it real, ain't no need for pretendin
Why settle down now when there's a world for of women
I'm in air ones and linen, on Miami south beach
We young, have some fun, ain't no shortage on freaks
We throw parties in suites, and keep box by the dozen
That ain't lookin for lovin, they just lookin for thuggin
For every one gone, another two come along
So if she cheated, tell her beat it
Babygirl be gone, move on

Can't believe ya creepin, sneak in another man's bed
You're sleepin
I can't believe ya cheated on me
And now i'm askin ya, cryin ya, I kept denyin and lyin
Knowin that ya cheated on me

C-H-E-A-T-I-N

C-H-E-A-T-I-N
We should've been together, now it's gotta end

Can't believe ya creepin, sleepin
Can't believe ya cheated on me
And denyin
