BossMan Dlow

(Gentle Beatz)

Crackers trollin' on my page, got me scared to drop a pic
Soon as the plug put me on, I got that shit on quick
I remember I was on my dick, me and Dre robbing the licks
Pussy nigga piss me off, I'ma really pop my shit
Pull a big one on these hoes baby
Don't even touch me, I spent a grip for these clothes baby
My trap stay open, it don't ever close baby
I'm a fat nigga, you know I love my stove baby

Come on baby let's get this chicken
