BossMan Dlow

Bossman Dlow the biggest out, you heard me?
Uh-huh, big gas, nigga (Big gas, nigga)
You know what the fuck goin' on, man
Look (Free Tory, man), ayy
Look, ayy

I got them racks on me, look like I hit the lottery (Frرت, beep)
More money, more problems, I guess I want some problems then
Wonder if I blow, these niggas gon' hate or just be proud of me? (Just be pr
oud of me?)
I done seen some bitches break down cryin' and still lie to me (And still li
e to me)
My dog backdoored my dog, but she let him fuck (But she let him fuck)
Dez showed Tory the game, then he set him up (Ooh, he sad)
I ain't never been the same since my uncle died
How you gon' fuck with me when you fuck with the other side?

Do somethin' to him, you did it to me, you know I love my brother (Love my b
rother)
Cutthroat business 'bout this money, I could never trust you
You there for me, so when you call me, I'ma be there for you
He pillow talkin' to these bitches, act like we don't know each other
Bitch, I got money and you ain't gon' touch it, that's all that matter, thou
gh (That's all that matter, though)
You gotta know that we chase money, we don't chase after hoes (We don't chas
e after hoes)
These broke niggas be out here beefin', I be with paper chasers
These niggas poor, ain't shakin' nothin', he be with pump fakers
Fuck you think you dealin' with? Bitch, I'm a money maker (Bitch)
You ain't steppin', you just gossip, you an instigator
They offered Tory fifteen, that shit fucked with my mind (Fucked with my min
d)
He told me, "Anything you want, lil' bruh, you gotta grind" (You gotta grind
)
Good nigga, he just wan' see everybody shine
They put these fuck niggas on the street 'cause they can't do no time (They
can't do no time)
They tryna offer KP ten and send him to the pen'
Nigga never been to ten, this his first bid (This his first bid)
Stay on the porch if you ain't ready to be in this shit
I done seen a nigga brother named, but he on the witness list
Nothin' but money on my mind, bae, I'm motivated (Bae, I'm motivated)
She gon' give me good brain, keep me educated (Keep me educated)
She eat that dick up while I'm drivin', keep me concentrated (Skrرت)
I'm in the rental trippin', swervin', I'm intoxicated (Skrرت)
Street shit in my DNA, shit a part of me (Shit a part of me)
Spider webs above my bunk, I could hardly sleep

I got them racks on me, look like I hit the lottery (Frرت, beep)
More money, more problems, I guess I want some problems then
Wonder if I blow, these niggas gon' hate or just be proud of me? (Just be pr
oud of me)
I done seen some bitches break down cryin' and still lie to me (And still li
e to me)
My dog backdoored my dog, but she let him fuck (But she let him fuck)
Dez showed Tory the game, then he set him up (Ooh, he sad)
I ain't never been the same since my uncle died

How you gon' fuck with me when you fuck with the other side?

Can't understand how you can tell on another man (How you do that, man?)
We out here thuggin', you know this shit come with a consequence (Consequenc
e)

We hit the club, no ID, still let all us in (Still let all us in)
Was hittin' licks, I'm puttin' shit all in my robbin' van
Pulled out them racks and went to countin' 'cause I know she lookin'
Ain't tellin' me, you pulled your pants down and showed your pussy (Pussy)
I went from '08 to a '16, I done elevated (I done elevated)
You tried to get over on me, that's how I know you crazy (Bitch)
How you gon' play 'round with my brother and act like we ain't comin'?
Give a fuck if you owe me ten dollars, I need that money (Need that money)

They be gettin' this shit twisted, like, you feel me? (For real, though)
Ten, five dollars, like, nah, I need that, man
You feel me? It just be the principle
You know what I'm sayin'? We out here thuggin', we in these streets
Keep that shit 1K all the way around the board, you hear me?
Young nigga shit, you heard me?
