

# Shake Dat Ass (Twerk Song)

BossMan Dlow

Uh  
Yeah  
Big Za

I'm a gettin' money-ass nigga  
And I ain't chasin' shit unless it's money and liquor  
Naw, I ain't no referee, but she know I'm official  
She got both asscheeks bouncin', that's double dribble  
That ass perfect, baby  
I love the way you bend it over and twerk it, baby  
You know you doin' that shit on purpose, baby  
That pussy wetter than some water, let me surf it, baby

He don't like me, but his bitch love me  
Got kicked out the house at fourteen, I was still thuggin'  
She ate that dick so much, her knee ugly  
He know I fucked the bitch, he seen me and be mean muggin'  
Uh, that shit don't mean nothin'  
You play with me and you know how my team comin'  
Ayy, that ass sit up better than two bunkbeds  
Oh, she thick, thick, she eat her cornbread  
Yeah, yeah, that shit there homemade  
She get on her knees and make that ass go both ways  
She mix Patrón with the OJ  
She mix Amiri with the Dolce  
If he can't buy you Dior, then he pi-or  
Or maybe you just a basic bitch  
Keep a-, nigga play, spray the bitch  
I'm so clean, look at me, take a pic  
I got bands in my pants, I'm so lit  
I'm pullin' up foreign truck, five percent  
That ass natural, I gotta have it, look how it sit  
Get on your ass, she gon' crash 'bout that dick  
She talkin' to me like she like me or somethin'  
Bae, bend that ass over like you hikin' or somethin'  
She wanna fuck me and her friend like she dykin' or somethin'  
Oh, just do it to me, baby, like this Nike or somethin'  
She talkin' to me like she like me or somethin'  
Bae, bend that ass over like you hikin' or somethin'  
She wanna fuck me and her friend like she dykin' or somethin'  
Oh, just do it to me, baby, like this Nike or somethin'

I'm a gettin' money-ass nigga  
And I ain't chasin' shit unless it's money and liquor  
Naw, I ain't no referee, but she know I'm official

That ass perfect, baby  
I love the way you bend it over and twerk it, baby  
You know you doin' that shit on purpose, baby  
That pussy wetter than some water, let me surf it, baby

That ass perfect, baby  
That shit perfect, baby  
Oh, I love the way you twerk it, baby  
That shit perfect, baby  
Slow motion, baby  
Wanna see you bust it open, baby

That ass perfect, baby  
That shit perfect, baby

I'm a gettin' money-ass nigga  
And I ain't chasin' shit unless it's money and liquor
