

Dear nathalie

Bosson

Dear Nathalie
Follow your heart and I'll be waiting
Dear Nathalie
Follow your heart and I'll be waiting

In the night
I've been dreaming of someone
I've been dreaming of someone like you
Never thought I would find you
And all of my life
I've been waiting for someone
I've been waiting for someone like you
Now I know that I've found you

Whenever we're all alone and we're feeling down
We just can't give up on love
Whenever the hope is gone, we'll be standing strong
'Cause we won't give up on love

Dear Nathalie, dear Nathalie
Follow the dreams that you've been living
Dear Nathalie, dear Nathalie
Follow the life that you are living
Dear Nathalie, dear Nathalie
Follow the dreams that you've been living
Dear Nathalie, dear Nathalie
Follow your heart and I'll be waiting

Until now
I've been searching for someone
I've been searching for someone like you
I'm so glad that I've found you
It's gonna be alright
'Cause I feel that you're the one
And I hope I'm the one for you too
I've been waiting here for you

Whenever we're all alone and we're feeling down
We just can't give up on love
Whenever the hope is gone, we'll be standing strong
'Cause we won't give up on love

Dear Nathalie, dear Nathalie
Follow the dreams that you've been living
Dear Nathalie, dear Nathalie
Follow the life that you are living
Dear Nathalie, dear Nathalie
Follow the dreams that you've been living
Dear Nathalie, dear Nathalie
Follow your heart and I'll be waiting

Dear Nathalie, dear Nathalie
Just give me a sign if you can hear me
Dear Nathalie, dear Nathalie
I hope that you're fine and that you miss me

Dear Nathalie, dear Nathalie

Follow the dreams that you've been living
Dear Nathalie, dear Nathalie
Follow the life that you are living
Dear Nathalie, dear Nathalie
Follow the dreams that you've been living
Dear Nathalie, dear Nathalie
Follow your heart and I'll be waiting
