

# Love is in the air

Bosson

Oh oh oh oh (oh)  
The love is in the air  
Hey hey hey hey (ooh)  
The love is in the air  
Come on

Come closer now, closer now  
I will show you wow-wow-wow  
Just hold me now, hold me now  
I will teach you how-how-how  
Don't be shy, don't be shy  
We can touch the sky-ay-ay  
I'll make you fly, make you fly  
Weightless in the sky-ay-ay

You want it, you got it  
Oh, I like it, like it there  
You want it, you got it  
Oh, I like it, like it there  
You want it, you got it  
Oh, I like it, like it there  
Anywhere everywhere  
Come on baby take me
