

## Carbon Mono

Boston Manor

You've got some nerve coming back  
You wasted every chance you had  
Do you kiss your mother with that filthy mouth?  
"He's not cruel, he's just being real  
I'm sorry if that's how you feel  
I don't see what all the fuss has been about"

You'll never change  
You're still the same  
Gimme direction, gimme direction  
Cause you only made things worse  
You'll never change  
You're stuck in your ways  
Gimme direction, gimme direction  
Cause you only made things worse

We've got nothing left to lose  
The only one who does is you  
I got friends in places that you can't ignore  
It doesn't have to be this hard  
Stick with me and you'll go far  
I'm not asking your permission anymore

You'll never change  
You're still the same  
Gimme direction, gimme direction  
Cause you only made things worse  
You'll never change  
You're stuck in your ways  
Gimme direction, gimme direction  
Cause you only made things worse

You'll never change  
You're still the same  
Gimme direction, gimme direction  
Cause you only made things worse  
You'll never change  
You're stuck in your ways  
Gimme direction, gimme direction  
Cause you only made things worse

Watching your world die a slow death  
Whilst we're making progress  
Watching your world die a slow death, die a slow death  
Whilst we're making progress
