

Everything Is Ordinary

Boston Manor

Run, run away
It's easier than doing something
I'll take the blame
It's easier than doing something

We're burning everything for the thrill of it
Don't try to stop me, don't try to stop me
Just take your medicine, you won't feel anything
Don't try to stop me

Everything is ordinary now
Everything is ordinary now

I'll spill my guts
But I don't wanna ruin this new carpet
Hey what's the rush?
Don't leave now we're getting started

We're burning everything for the thrill of it
Don't try to stop me, don't try to stop me
Just take your medicine, you won't feel anything
Don't try to stop me

Everything is ordinary now
Everything is ordinary now

Put on your plastic smile
Why don't we hide in the grey for a while?
Are we just comfortably numb?
Look what you could've been, what you could've become

We're burning everything for the thrill of it
Don't try to stop me, don't try to stop me
Just take your medicine, you won't feel anything
Don't try to stop me

Everything is ordinary now
Everything is ordinary now
Everything is ordinary now
Everything is ordinary now
