Walk On

Take a look around and tell me what you see I quess that all depend on exaclty what you want it to be Is your cup half-full? Is your cup half-empty? How can you get what you need in the land of plenty? Everybody gets carried away Everybody's trying everyday to remind you (Ooo) Leave it behind you What's it take to see? What's it take to believe right from wrong? Never knowing where you belong Walk On Walk On Sometimes I feel like I'm just doing time Everybody wonders where you're going when you step out of line Don't know all the answers, someone's got to stand up and say " Hev!"

If you want to win the game then you know you're gonna have to play

Everybody's got to find a way And everybody's trying everyday to remind you What's standing behind you? What's it take to see? What's it take to believe right from wrong/ Never knowing where you belong Walk On Walk On Walk On There's no turning back Walk On Get your train on the track
