

Imprisoned

Botch

Moving forward
Not passing
Don't disappoint me
Now close my cell

Must they
Imprison me
There's nowhere safe

Imprisoned
Imprisoned

As we answer to the truth
As we're answering our lies
The judgement of...
They constrained us inside

Why must they
Imprison me
There's no way out

Why not

Must they
Imprison me
There's nowhere safe
Why must they
Imprison me
There's no way out
