

# I Wish I Cared

Bourbon Crow

See you standing there, with your beauty parlor hair.  
Denim Skirt an hiked up high, giving me a fancy stare.  
Drinking a bottle of boonesfarm, in a beat up rocking chair.  
But if I had one wish, I wished that I cared.

Oh, I wish I cared, I wish I cared  
I wish I cared, I wish I cared.

You;ve always had a dream, of owning a diamond ring.  
And I've always had a wish you'd drown in a stream.  
Jack Daniels speaking to me, and your voice just can't compare.  
But if I had one wish, I wished that I cared.

Oh, I wish I cared, I wish I cared  
I wish I cared, I wish I cared.

Watching dirty movies, in my reclining chair.  
Praying that some act of God, would take you out of here.  
Trying to impress me, with your crotchless underwear.  
But if I had one wish, I wished that I cared.

Oh, I wish I cared, I wish I cared  
I wish I cared, I wish I cared.

Everybody

But if I had one wish, I wished that I cared.

I wish I cared, I wish I cared.  
I wish I cared, I wish I cared.  
But if I had one wish, I wished that I cared.  
Oh, I wish I cared, I wish I cared  
Oh,I wish I cared, I wish I cared.
