

# Fail

Bow Anderson

Since childhood I've been told  
Study hard, achieve your goals  
Sit up straight, stand in line  
Eat your veg and stay inside  
Don't watch too much TV  
Don't dream of bigger things  
Don't disappoint, guess there's no point  
In tryna spread my wings

I'm afraid  
Of flying, dying, ghosts, and lions, so many things

If I'm honest, I'm paralysed  
Been afraid for my whole damn life  
And it's passing me by, it's passing me by  
Oh I don't wanna fail, I don't wanna fail, I don't wanna fail, no

They said if I moved out  
Then bravery moves in  
I thought that a new chapter  
Would be good for me but then  
I'm only singing in the shower  
Where nobody can hear  
'Cause God forbid they say I'm bad  
I'm living my worst fear

I'm afraid  
Of heights and nights I sleep alone, but more than anything

If I'm honest, I'm paralysed  
Been afraid for my whole damn life  
And it's passing me by, it's passing me by  
Oh I don't wanna fail, I don't wanna fail, I don't wanna fail, no  
I know nothing is black and white  
But the colours keep me up all night  
And I can't reach too high 'cause I'm terrified  
Oh I don't wanna fail, I don't wanna fail, I don't wanna fail, no

I don't wanna fail, I don't wanna fail  
I don't wanna fail, I don't wanna fail  
I don't wanna fail, I don't wanna fail  
I don't wanna fail, I don't wanna fail, no

I'm so sick and I'm tired  
Feeling so uninspired  
I'm so sick and I'm tired  
If I don't live then I'm dying

If I'm honest, I'm paralysed  
Been afraid for my whole damn life  
And it's passing me by, it's passing me by  
Oh I don't wanna fail, I don't wanna fail, I don't wanna fail, no  
I know nothing is black and white  
But the colours keep me up all night  
And I can't reach too high 'cause I'm terrified  
Oh I don't wanna fail, I don't wanna fail, I don't wanna fail, no
