New Wave

Bow Anderson

I never thought you'd be back around
Last time I saw you, we were burnin' down
Wanted it then, but I don't need it now
I'm alright, alright
I see you rollin' with the fake love
Don't need it fake 'cause I got enough
A penny for your love is all that I would give
This time, this time

All that I know
Is that this shit comes around, oh
All that I know
Is first, I gotta save myself

I'm riding on a new wave, babe
Don't mind me, I'll be on my way
So don't come at me like it's yesterday
I'm riding on a new wave, babe
You reckon that nothing's changed
But you and me will never be the same
So don't come at me like it's yesterday
I'm riding on a new wave, babe

I never thought you'd be broken up
You're heavy hearted with an empty love
Wanted it then, but I don't need it now
I'm alright, alright
I know you thinkin' 'bout my little black dress (Black dress)
Darling, you never even saw me at my best
You say, "Believe me," but I'm leavin' now
'Cause I'm alright, alright (Yeah)

All that I know
Is that this shit comes around, oh
All that I know
Is first, I gotta save myself

I'm riding on a new wave, babe
Don't mind me, I'll be on my way
So don't come at me like it's yesterday
I'm riding on a new wave, babe
You reckon that nothing's changed
But you and me will never be the same
So don't come at me like it's yesterday
I'm riding on a new wave, babe

You hit me up, man, like nothing has changed
But I'm riding, I'm riding on a new wave
You want my love, I got nothing to say
Yeah, I'm riding, I'm riding on a new wave

I'm riding on a new wave, babe (Hey)
Don't mind me, I'll be on my way (Don't mind me, I'll be on my way)
So don't come at me like it's yesterday
I'm riding on a new wave, babe (On a new wave)
You reckon that nothing's changed (That nothing's changed)
But you and me will never be the same (Never be the same)

So don't come at me like it's yesterday
I'm riding on a new wave, babe (Babe)
I'm riding on a new wave, babe
Don't mind me, I'll be on my way (Don't mind me, I'll be on my way)
