Selfish

Bow Anderson

You never wanted to support me when we were
Supposedly in love and forever
But now I'm on tour, you say you wanna support me
(Ooh, you're taking the piss)

You used to say I wasn't grateful for where I am
How could I celebrate if you're a jealous man?
Now you're only in touch when you're looking for something
(Ooh, you're taking the piss)

Calling up my phone while I be lying in bed
Making me feel bad for hanging out with my friends
And you be dragging me with backhanded compliments
I won't be treated like that, nah

'Cause you're so fucking selfish
Only think of yourself
Anybody else is
Nothing of your interest
Treat me like a checklist
Don't look so offended
You know that you do it
Please don't make excuses

You're so fucking selfish

I spent all of my energy on saving you
Lost myself while I was busy fixing you
Gave you every day but there was no one to save me
(Ooh, how could you do me like this?)

Calling up my phone while I be lying in bed
Making me feel bad for hanging out with my friends
And you be dragging me with backhanded compliments
I won't be treated like that, nah

'Cause you're so fucking selfish
Only think of yourself
Anybody else is
Nothing of your interest
Treat me like a checklist
Don't look so offended
You know that you do it
Please don't make excuses

You're so selfish, you're so selfish
Nah-nah, nah-nah
You're so selfish, you're so selfish
Nah-nah, nah-nah

Calling up my phone while you be lying in bed
Making me feel bad for hanging out with my friends
You be dragging me with backhanded compliments
I won't be treated like that, nah

'Cause you're so fucking selfish
Only think of yourself

Anybody else is
Nothing of your interest
Treat me like a checklist
Don't look so offended
You know that you do it
Please don't make excuses

You're so fucking selfish
Only think of yourself
Anybody else is
Nothing of your interest
Treat me like a checklist
Don't look so offended
You know that you do it
Please don't make excuses

You're so fucking selfish
