Watching Her Heartbreak

Bow Anderson

Been around since four years old, we watched each other grow
So many stories have been told, yeah, we've been through it all
I honestly don't know what I would do without her
See, even when it all falls down, I'll always be around

I know her inside out
Wish I could take the pain away somehow

Watchin' her heart break is makin' my heart ache
I wanna be her saviour but I can't save her
I made a promise that time makes it better
I'm so God damn helpless, don't know where to start
'Cause watchin' her heart break is breakin' my heart

When she needs a little love, I'll be her pick me up (Mm-hmm)
When she's cryin' in her, I'll bring a coffee cup (Mm-hmm)
I'll hold her in my arms until she smiles a little
No matter what time, day or night, I'll be on the line

I know her inside out (Ooh)
Wish I could take the pain away somehow (Ooh)

Watchin' her heart break is makin' my heart ache
I wanna be her saviour but I can't save her
I made a promise that time makes it better
I'm so God damn helpless, don't know where to start
'Cause watchin' her heart break is breakin' my heart
