

## Hands Up

**Bow Wow**

I can see the fire in your eyes tonight  
Can you see my nerves are shaking overtime  
I say hands up; you're the one that's hot  
C'mon tell me, tell me that I'm not

It's the way you like it, your control on me  
That's the way I like you honey, over me  
I say hands up; beaten and I'm bound  
C'mon tell me, not to make a sound

Love is for free  
But you know that you tear me apart  
When you go away you rip out my heart  
You don't know how I feel  
Why can't you see?  
I'm in so deep  
That I can't walk away from your love  
When you go away I fear  
Lady, taker of my love  
The stealer of my heart

I'm in so deep  
That I can't walk away from your love  
When you go away I fear  
Lady, taker of my love  
The stealer of my heart

You and me will last forever no mistake  
This is something special baby we can't fake  
I say hands up; tell me that it's true  
C'mon tell me, that you love me too

Love is for free  
But you know that you tear me apart  
When you go away you rip out my heart  
You don't know how I feel  
Why can't you see?  
I'm in so deep  
That I can't walk away from your love  
When you go away I fear  
Lady, taker of my love  
The stealer of my heart
